

IN-KIND DONATIONS KENTUCKY EXECUTIVE MANSIONS FOUNDATION, INC.

The Kentucky Executive Mansions Foundation, Inc. welcomes in-kind donations on behalf of the Kentucky Mansion Celebration Project. Donations will be accepted in sponsorship of various areas of the Mansion, and will be restricted for that purpose unless otherwise indicated. All donations will become property of the Division of Historic Properties and the Commonwealth of Kentucky at the conclusion of the Kentucky Mansion Celebration.

In designating your donation for a specific area of the mansion, the area coordinator responsible for that area will have access to the item or items under the terms and conditions used for donations in-kind by the Kentucky Executive Mansions Foundation, Inc. (KEMFI). If that area coordinator does not use the item/items, or for some reason does not complete the project, the item/items will be designated by KEMFI to the area or project where there is the most need within the Old Governor's Mansion.

We appreciate your support. KEMFI is a Section 501(c) (3) organization and your contribution will be eligible for a charitable contribution deduction. To the extent that you receive anything of value in exchange for your contribution, such as event tickets, signage, etc., your contribution may be reduced by the value of these items. We will advise you of the value of these items as we are able to determine them.

Thank you for sharing our excitement about this project. The citizens of the Commonwealth have shown wonderful support of this valuable and important project.
